**MONTROI**  
CELEBRATING NOMADISM

**AMALFI WASN'T ALWAYS THE SAME**

The Amalfi Coast is located in the Province of Salerno in Southern Italy and is one of Europe's most breath-taking gems. Cliffs are terraced and scented lemon groves are common as are the whitewashed villas. Meanwhile sea and sky seem to merge in sublime unison. It is a popular destination for the region and Italy as a whole, attracting thousands annually from Italians, international tourists or couples on honeymoon. However, many secret places and non-touristic gems can still be found such as enchanted towers, and the fantastic masterpiece of Oscar Niemeyer in the mountain village of Ravello. Of course there's the aristocratic influence of its past (and the famous Duchess of Amalfi) which harks back to events that occurred between about 1508 and 1513.

**01. SAN PIETRO HOTEL**

**EAT**

With its own private beach, infinity-edge pool and good restaurant this hotel combines classic charm with James Bond edge. The swimming pool is the coolest retro spot in the coast.

**VIA LAURITO, 2-84017**

**11. CASA ANGELINA**

**SLEEP**

Owned by a native Italian, Casa Angelina is definitely one of the hidden gems along the Amalfi Coast. The hotel is set in Praiano, which is a ten minute drive from the bustling and popular town of Positano.

**14. LE SIRENUSE**

**SLEEP**

Le Sirenuse is one of Italy's best luxury hotels and its fame is the result of location, ambiance and style. Located in the centre of Positano it is 70 m above sea level.

**HIKING IL SENTIERO DEGLI DEI**

**DISCOVER**

The Amalfi Coast has an amazing sea life but also unexpectedly beautiful mountain scenery, hiking here is absolutely recommended. The Sentiero degli Dei links the tiny hill top town of Agerola, with Nocelle.

**DA BOMERANO, A NOCELLE**

“MONTROI sees nomadism as a cultural bridge, an educational tool, to connect, to grow, to learn through dialogue and shared experiences, becoming a nomad, ultimately leaving a more enlightened world for future generations.”
